

Biryani Masala — Product of Danish Agro Farms

Rich Aroma | Authentic Flavour | Customised Spice Blends | Bulk Supply

Product Overview

Danish Agro Farms offers Biryani Masala, an aromatic blend of selected spices developed to enhance the flavour, fragrance, colour, and richness of traditional biryani and rice dishes.

We focus on quality-conscious spice sourcing, careful ingredient selection, and customised blending according to customer specifications. Our Biryani Masala is suitable for food manufacturers, restaurants, caterers, spice processors, wholesalers, retailers, and private-label customers.
