**Rich Spicy Flavour | Aromatic Spice Blend | Customised Formulation | Bulk Supply**

## Product Overview

Danish Agro Farms offers Tikka Masala, a flavourful blend of selected spices developed for preparing delicious tikka, grilled foods, BBQ, and marinated meat dishes. Our blend is designed to deliver a balanced combination of spice, aroma, colour, and savoury flavour according to customer requirements.

We focus on quality-conscious sourcing of spices, careful ingredient selection, blending, and customised specifications for food manufacturers, restaurants, caterers, wholesalers, retailers, and private-label customers.

## Key Features

- Rich, spicy, and aromatic flavour profile.
- Suitable for chicken tikka, meat tikka, and BBQ preparations.
- Customisable spice ratios, heat levels, and flavour profiles.
- Fine powder blending according to agreed specifications.
- Suitable for commercial kitchens and food processing.
- Bulk supply and customised packaging options.

## Ingredients & Spice Selection

## Depending on the formulation, Tikka Masala may contain:

- Red chilli powder
- Coriander powder
- Cumin powder
- Turmeric powder
- Black pepper
- Ginger powder
- Garlic powder
- Paprika or other suitable spices

- Salt and permitted additional ingredients, where specified

The final ingredi
