

Tikka Masala — Product of Danish Agro Farms

Rich Spicy Flavour | Aromatic Spice Blend | Customised Formulation | Bulk Supply

Product Overview

Danish Agro Farms offers Tikka Masala, a flavourful blend of selected spices developed for preparing delicious tikka, grilled foods, BBQ, and marinated meat dishes. Our blend is designed to deliver a balanced combination of spice, aroma, colour, and savoury flavour according to customer requirements.

We focus on quality-conscious sourcing of spices, careful ingredient selection, blending, and customised specifications for food manufacturers, restaurants, caterers, wholesalers, retailers, and private-label customers.
